ES700 indoor cycle

Designed to perform under the highest of demands, this indoor cycle will give you a smooth and comfortable ride every time.

- Microadjustable handlebar and seat positions ensure your clients will experience a comfortable ride
- Stainless steel components and zinc-coated frame prevent the corrosion often seen on indoor cycles
- Easy-to-use tension adjustment knob makes this bike especially smooth, quiet, and comfortable

VISION  FITNESS®

Microadjust seat and seat post ensure a correct riding position and comfortable ride

Durable non-slip grip, multi-position handlebar features front tube and handlebar adjustments

Resistance control provides easy adjustability

warranty*

We offer a Commercial warranty on this product, which covers 15 years on frame; three years on parts; one year on labor; and 90 days on wear items.
